**National Congress of Italian Canadians- Toronto District, COMITES,
Villa Charities, Centro Scuola e Cultura Italiana and CIBPA**

The Canadian Polish Congress would like to extend sincere best wishes to the Italian community in Canada on the **150th Anniversary of the Unification of Italy**.

Both our motherlands have had a rich, though varied, history in Europe and contributed to the tapestry of Canadian culture.

Italians, like the Poles, found Canada to be a land where there were opportunities for future generations, the freedom to practise our faith, and the ability to maintain our language as well as our culture.

It is with great pride then, that you will also celebrate in June 2011 **Italian Heritage Month** which the Ontario Legislature proclaimed into law in October of last year.

The Canadian Polish Congress congratulates you on your many achievements within Canada's multicultural community especially this momentous year.

Sincerely,

Teresa Berezowski
President
Canadian Polish Congress
