Mr. Michael Tibollo
President,
National Congress of Italian Canadians - Toronto District
340 Falstaff Avenue, Ste 202
Toronto, ON M6L 3E8

Dear Mr. Tibollo,

On behalf of The Federation of Canadian Turkish Associations, I wanted to congratulate you and the nearly 1.4 million-strong Italian Canadian community in Ontario on the occasion of Italian Heritage Month this June.

With the passing of the *Italian Heritage Month Act, 2010* last year at the Ontario Legislature, Italian Canadians' invaluable contributions to the growth of this province were rightfully recognized.

The Turkish Canadian community looks forward to celebrating Italian Heritage Month in Ontario with our Italian Canadian friends. We also hope to further and strengthen that friendship through increased cooperation in the future on social, cultural and educational events.

Sincerely,

Dr. Mehmet Bor
President,
The Federation of Canadian Turkish Associations

The Federation of Canadian Turkish Associations is a non-profit organization with member associations all across Canada. It promotes the Turkish community's interests on various issues.
